Georgia Communicare

Foster Parent Live Training and Q&A

September 25, 2024
12-1 p.m.

The Georgia Department of Human Services' Division of Family & Children Services is hosting a virtual training and Q&A for foster parents on the topic of Georgia Communicare, a new technology project designed to support and enhance child welfare programs. The training will be held on **Sept. 25, 2024**, from **12-1 p.m.** via **Microsoft Teams**. Foster parents who attend will receive credit for one hour of training. The training session can be accessed [here](#).

To learn more about Georgia Communicare ahead of the training, visit dfcs.georgia.gov/services/georgia-communicare.

We recommend that you download Microsoft Teams 24-48 hours prior to the training. Learn more about how to download Microsoft Teams to your laptop or desktop computer [here](#). If you do not have access to those devices, you can also access the training via a mobile or smart device.

Disclaimer: This training will be recorded for the purpose of dissemination. However, your name will not be recorded or shared.
