SAFETY: Staff Training

Name: Digital Stories
Type: Five Videos (Sasha Charles, Felicia Devine, Leslie Fuller, Matthew Rodriguez and Katie Wyland)
Source: National Resource Center for Permanency and Family Connections
Length: 30 Minutes
Evaluation: Discussion Questions
Description: First person stories of youth and workers from the foster care system.
Recommended For: Direct Care Workers, Human Services Professionals, Case Support Workers and Case Support Supervisors

Name: RBWO Behavior Management Standards
Materials Location: [http://www.gascore.com](http://www.gascore.com)
Type: Archived Webcast
Source: DFCS, Office of Provider Management
Length: 90 Minutes
Evaluation: Post Test
Description: Review of Taylor v Ledbetter Consent Decree and other RBWO Standards related to behavior management.
Recommended For: Direct Care Workers, Human Services Professionals, Case Support Workers and Case Support Supervisors
SAFETY: Staff Training

**Name:** DFCS Safety Practice Framework
**Materials Location:** [http://www.gascore.com](http://www.gascore.com)
**Type:** Archived Training (3-Part Video Presentation by Barry Salowitz)
**Source:** DFCS
**Length:** 151 Minutes
**Evaluation:** Post Test
**Description:** Review of the Safety Practice Framework which is the basis for how DFCS assesses risk and safety for intact families, CPS investigations and while children and youth are in any type of foster care placement.
**Recommended For:** Human Services Professionals, Case Support Workers and Case Support Supervisors

**Name:** Documentation of Every Child Every Month Visits
**Materials Location:** [http://www.gascore.com](http://www.gascore.com)
**Type:** Archived Webcast
**Source:** DFCS, Office of Provider Management
**Length:** xx Minutes
**Evaluation:** Post Test
**Description:** Review of preparing for and executing ECEM visits and effectively documenting the visit into the SHINES portal.
**Recommended For:** Human Services Professionals, Case Support Workers and Case Support Supervisors
Name: Developmental Perspectives on Sexual Behavior in Children and Adolescents
Materials Location: http://www.nationalcac.org
Type: Archived Webcast
Source: The National Children’s Advocacy Center
Length: 76 Minutes
Evaluation: Post Test
Description: This course discusses sexual behavior in children ages 2-12 and helps the student understand that a number of child sexual behaviors can be normal. In addition, the course presents information about sexual behavior that may be related to sexual abuse, or to other variables in the child's life. Finally, the course presents information on why children might develop sexual behavior problems along with guidelines for treatment of these children.
Recommended For: Direct Care Workers, Human Services Professionals, Case Support Workers and Case Support Supervisors
SAFETY: IL and TLP Staff Training
